On Thursday, October 3, 2019, the College Development Committee (CDC) organized a Swachhta Abhiyan drive under the "Swachh Bharat Abhiyan" Campaign. This initiative aimed to promote cleanliness and hygiene in the community, contributing to the national mission of a cleaner India. The event saw active participation from volunteers, residents, and students. The cleanliness drive involved sweeping streets, cleaning public spaces, and removing garbage and debris from the area. Volunteers also cleaned local parks, playgrounds, and public toilets to ensure a hygienic environment. Educational sessions were held to raise awareness about the importance of cleanliness and proper waste management. The CDC, with the help of local volunteers and municipal workers, organized the necessary equipment and materials for the drive, including brooms, garbage bags, gloves, and disinfectants. Adequate measures were taken to segregate waste into recyclable and non-recyclable categories. The CDC's efforts in promoting sustainable practices and community involvement were well-received, highlighting the importance of collective action in achieving a cleaner and healthier India.
