Event: "Anti-Superstition Awareness Program"

Our college organized an impactful Anti-Superstition Awareness Program on 21/09/2022 at 11.00 a.m. aimed at educating the community about the dangers of superstitions. The event featured a rally conducted by our students, who actively participated in spreading awareness on this important topic.

The program was honored by the presence of distinguished guests, including Mr. Ashok Wankhede, Mr. Baban Nagle, Mr. Baban Sonwane, and Mrs. Kiran Jadhav, all esteemed members of the Maharashtra Anti-Superstition Branch. Our institution President Mr. Sanjay Abhang and Mrs. Devika Abhang were also present as a chief guest. Their presence added significant value to the event, as they guided us very well with practical experiences, offering insights into how superstitions can be challenged and overcome.

During the event, our students marched through key areas, carrying banners and posters that highlighted the harmful effects of superstitions and the importance of rational thinking. The enthusiastic involvement of the students, combined with the valuable guidance from our guests, ensured that the program was successfully executed and that we achieved the aims of our initiative.

This event not only raised awareness but also reinforced the commitment of our college to promoting a scientific and rational mindset within the community.
